Dear Parent/Carers,

Re: PARENT'S GROUP – Primary and Secondary Campus

As the Spring Term progresses; we thought we would share some additional dates when the Parents' Group will meet in the Spring Term. The dates are all listed in the grid below and you will see that there is a range of dates for both informal get togethers and workshops.

The hairdressing has been a tremendous success mainly in part to Stephanie, the hairdresser being very patient. We are hoping that we can secure regular dates and already have follow up dates for both the Primary and Secondary Campuses. If your child has not had their hair cut with Stephanie and you would like 'an appointment' at the next session please indicate on the form. The cost is £5 and if possible we prefer parents to attend but if this is not possible please contact your child's class or pastoral teacher.

You will see that there is also a workshop booked on Tuesday 15 March which will take place on the Primary Campus but it would be great if parents from both Secondary and Primary attended. The free workshop is a project based using the basis of art to enable people to express their feelings and their views on disability using paints and colours. It is an opportunity to be part of a group working together to produce a finished piece of work which can then be displayed. It would be lovely if we could have a group of parents who would like to be able to be involved and it is open to all abilities to pick up a paintbrush and flow with the paint!! No artistic talent necessary just come and enjoy the sensation of using paint freely.

On Tuesday 10th May the new Dental Hygienist, Brenda Wykes, who will be visiting both Campuses on a regular basis, has offered to attend the coffee morning to offer advice on how to establish good oral hygiene. Just as a reminder we have toothbrushes that brush 3 surfaces at the same time available on both Campuses at a cost of £2.30.

As before there are two copies of the dates so you can indicate on if you intent to attend and retain the other for your notice board or fridge magnet.

Please note that all of the sessions start at 10.00 a.m. and run until 12.00 p.m.

Regards

Sara and Viv – Campus Directors.
